

Thank you for helping to lay the foundation...

What are recurring gifts?

Recurring gifts are donations that are made by individuals, businesses or organizations on a monthly basis to the Lutheran Heritage Foundation. The amount of the gift is determined by the donor.

What are the benefits of recurring gifts?

For the donor, enrolling in the LHF Foundation Gift program eliminates the need for writing checks and mailing them to the LHF office. In addition, establishing a recurring gift lets you support the LHF mission over time instead of with a single, larger gift. For example, many people find it easier to give \$25 per month than a single, one-time gift of \$300.

For LHF, recurring gifts support the need for a steady, reliable source of income. Then it's never a question whether LHF can commit to long-term translation projects.

How do recurring gifts work?

Simply complete the registration form at the right to get started (or log on to the LHF website, www.LHFmissions.org, and complete the process there).

You can choose the amount of your monthly gift to LHF, and whether you'd like that amount charged to your credit card or automatically withdrawn from your bank account. You can also decide whether you'd like your gift to be processed on the first of every month, or on the sixteenth.

... for the future
of the LHF mission.
