In South Sudan, the Lutheran church is growing by leaps and bounds.

There aren't enough pastors to shepherd all the new congregations.

Since the Evangelical Lutheran Church in South Sudan/Sudan was established 25 years ago, more than 200 congregations have been formed. But there are only 66 pastors to serve these churches.

Some churches have to wait weeks, even months for a pastor to come baptize their babies and new Christian believers!

Some churches have to wait weeks, even months for a pastor to come baptize their babies and new Christian believers!

Our mission offerings are helping to provide seminary education for new pastors in South Sudan!

In Yambio, South Sudan is the Concordia Lutheran Institute for the Holy Ministry. During their 4 years of seminary studies, 20+ men leave their wives and children behind to continue working the family farms. The seminarians need help covering the costs of their travel to the seminary, their books, supplies, food and housing.

As little as \$2.30 per week can give a seminarian a bed. \$130 can provide his books and supplies for a year!

Working together with other Lutheran children from all around the United States, we can play an important part in helping to share the Good News in South Sudan!
