

Offering Can Label

This label is designed to fit around a 1.75 oz. Pringles' chip can or a clean, empty plastic frosting container. Simply print on regular 8.5" x 11" paper and glue or tape it around the can.

If you would like to print off color copies of this label instead of photocopying the one below, please go to the LHF website (www.LHFmissions.org) and click on the "Telling the Next Generation Offering Can Label" PDF file. Reprint as needed on your color printer/copier. Direct link to the page: <http://www.lhfmissions.org/Page.aspx?pid=236&srcid=237>

Note to teachers and parents: A small Pringles can fits perfectly in most car cupholders. Keep your offering can in the car and fill it up with your loose change!
