

Directions: Print on your photocopier or printer onto heavier cardstock paper, two-sided. Punch a hole in the corner where indicated, and either string a ribbon through the hole or use a hook to hang on your Giving Tree.

Every \$5 you collect and send to LHF provides someone on the other side of the world with a book about Jesus in his or her language!

This Christmas, your \$5 gift to the Lutheran Heritage Foundation will help pass along the greatest gift we've received - the gift of faith in Jesus Christ Catechism into languages like Ekegusii or Borana into the hands of women just like her.
