

DIRECTIONS:

Print out your desired page(s), 2-sided/front and back, on a heavier cardstock paper.

Cut the ornaments out and use a hole punch to create a hole near the top of the ornament.

Use an ornament hook or piece of ribbon to hang your paper ornaments on your Giving Tree. Encourage parishioners to “adopt” a family or pastor by picking up however many ornaments they wish (\$5 donation for each). Each one of their \$5 donations will provide someone on the other side of the world with a book about the newborn Savior!

Be sure to provide a collection site for donations.
